

Department of Elementary Education Admission Policy

We seek people who understand the educational goals and academic requirements of Showa Women's University, those willing to steadily strive to acquire a teacher's license or childcare qualification. We seek people who have a strong desire to contribute to society by acquiring practical knowledge of elementary education. Applicants should have an earnest attitude, and be able to express themselves well and have a positive personality. Applicants must be able to successfully complete the course of study of the department. We therefore recruit applicants through various comprehensive entrance methods.

(1) Recommended field of study and subjects to learn before entrance

- Language Arts: Students should be able to use language proficiently. They should be able to speak, listen, write, and read competently, and should be able to use language to express herself and to understand others.
- Foreign Language: The student should be able to speak, understand, read, and write English and should be able to communicate her thoughts and opinions clearly.

Note: In order to be well-rounded, students are encouraged to take other subjects such as Geographic History, Civics, Mathematics, Science, Health and Physical Education, Art, Home Economics, and Information.

(2) Learning habits to have before entrance

- The student should have an interest in the state and background of society related to education and nursing, and should be exploring these issues on her own.
- The student should have an interest in experimental activities related to education and welfare and be actively involved in such activities.
- The student should be able to cooperate with others and have experience working as a member of a team.
